

### Announcement of Upcoming RFP for Project Management, Consulting and Facilitation Services

The State of Wyoming, Department of Health, Office of Healthcare Financing is announcing the release of a Request for Proposals (RFP) for qualified contractors to provide Project Management, Consulting and Facilitation Services for the EqualityCare (Medicaid) program. The RFP will be released on or around May 24, 2010.

The EqualityCare program is seeking a qualified Contractor to provide Project Management, Consulting and Facilitation Services for various established and future federal and state programs in health and human service areas. These services are currently provided for various established projects and will also be desired for future programs. The successful proposer will be required to furnish a variety of staff on-site from time to time. These staff must possess the education and knowledge necessary to assist the Department with multiple projects at the same time.

The contract resulting from this procurement is expected to start August 1, 2010 and last until June 30, 2012, with the possibility of 2 one-year extensions.

The RFP will be released by the Wyoming Department of Administration and Information, Procurement Section. For more information or to request a copy of the RFP, contact:
